

CARE RECIPIENT AUTHORIZATION AND CARE INFORMATION FORM

Client Legal Representation & Medical Disclosure Authorization

Version 1.4 • Effective 18 October 2026 • Registered in Parañaque City, Philippines

This Care Recipient Authorization and Care Information Form (the "Authorization") is executed by the Client arranging care through Care Panda Inc. ("Care Panda"). This form establishes legal representation and explicit consent for processing sensitive personal health information under Section 13(a) of Republic Act No. 10173 (Data Privacy Act of 2012).

1. Legal Authority of the Client

The Client represents, warrants, and certifies under penalty of law that:

- The Client is the care recipient seeking personal care services; OR
- The Client is the parent or court-appointed legal guardian possessing lawful parental custody to arrange maternal, postpartum, and newborn infant care for a newborn infant or minor child; OR
- The Client is an adult child, spouse, or authorized family representative possessing legal authority or express power of attorney to arrange care for an elderly parent or family member.

2. Authorized Care Details and Disclosure Scope

- **General Information:** Name, age, primary language, service address, and emergency contact details.
- **Care & Daily Living Support:** Physical mobility status, assistance required (bathing, feeding, transfer, toileting), dietary restrictions, and cognitive state.
- **Clinical Information (if applicable):** Medication schedules, allergy alerts, pediatric feeding guidelines, and specialized physician care plans provided solely to ensure safe in-home care delivery.

3. Explicit Privacy Consent

- **Data Processing Consent:** I hereby give explicit consent for Care Panda Inc. and the selected Care Partner to collect, process, and record the sensitive health data provided herein solely for arranging, coordinating, and delivering care services.
- **Confidentiality:** I understand that care records are encrypted and protected under Care Panda's Data Privacy Policy and RA 10173.
